This Front Matter is brought to you for free and open access by the Iowa Academy of Science at UNI ScholarWorks. It has been accepted for inclusion in Journal of the Iowa Academy of Science: JIAS by an authorized editor of UNI ScholarWorks. For more information, please contact scholarworks@uni.edu.

INSTRUCTIONS FOR SUBMISSION OF A MANUSCRIPT

What Kind of Manuscript to Submit

The *Journal* will consider several types of contributions from disciplines represented by the sections of the Academy: formal research papers with no minimum or maximum length; reviews or annotated bibliographies; informed, but documented, commentaries on topics of general interest to the scientific community; and papers on science teaching, especially those describing laboratory techniques or experiments. Previously copyrighted material will not be considered.

A manuscript is usually reviewed by two experts in the subject area and by the appropriate associate editor. Acceptance or rejection is based mostly on their recommendations.

How to Prepare a Manuscript

To help authors, and to save the time of reviewers and editors, a combined submission form and instruction checklist has been published in 107(2):51–53, request copies from

Managing Editor
Journal of the I.A.S.
175 Baker Hall
University of Northern Iowa
Cedar Falls, IA 50614-0508
(319) 273-2021

or the checklist and form are on the I.A.S. web page at:
www.iren.net/ias

Where to Submit a Manuscript

As indicated on the submission form and instruction checklist.

CHARGES TO AUTHORS

Papers accepted for publication will be held by the Managing Editor until the page charge status for each one is verified. Authors will be asked to sign an "Acceptance of Page Charge Policy" and provide any requested additional information before the paper is composed. All authors will be liable for actual charges due to author's alterations of galley proofs or due to author's negligence, in addition to the following:

Non-member authors: Actual cost of composition.

Non-member authors are advised to become Academy members at the time of submitting a manuscript or before, since the actual cost of composition is usually far more than \$45.00 per page.

Member authors:

- A. \$45.00 per page if paper deals with study that has support for publication costs (no exceptions).
- B. \$20.00 per page, if paper deals with study that has no support for publication costs.
- C. Exceptions (Category B only): No charge will be made for papers authored solely by full-time students, but this fact must be verified. Papers solicited by Section Chairs (symposia, e.g.) do not qualify for exception unless there is special action by the Board of Directors waiving page charges. Inquiries should be made to the Executive Director.

SUBSCRIPTIONS AND BACK ISSUES

Back copies of the *Journal* can be obtained from the Managing Editor (address above).

Subscription of the *Journal of the Iowa Academy of Science* is included in the membership dues of the Academy. The annual dues are \$40.00 for regular members; \$20.00 for student members. Application blanks for membership may be obtained from the Executive Director, at the address above. Any member or subscriber whose address changes during the year should notify the Executive Director.
